Gina Mills,  
**Administrative Assistant**

Lauren Delgado, BA  
**Certification Manager**

Stella Lin, BA  
**Outreach Coordinator**

Stephen Faille, BA, CATC III  
**IT Specialist**

Regarding: San Bernardino Valley College's Accreditation of Program

To Whom It May Concern,

Our Accreditation team has received the application from San Bernardino Valley College and is currently in process of reviewing the documents for renewal of full accreditation through California Association for Alcohol/Drug Educators, CAADE.

San Bernardino Valley College's Human Services and Addiction Studies program has been approved and fully accredited by CAADE since 2002. Their program has undergone changes to the Addiction Studies curriculum to reflect the State C-ID requirements, and CAADE's accreditation standards. Based on the history and strength of the program at San Bernardino Valley College, and the preliminary review of submitted documents, we are confident that the team will approve full accreditation at our next committee meeting.

Please do not hesitate to contact me with any questions or concerns at [wwiehl@sdccd.edu](mailto:wwiehl@sdccd.edu) or 619-977-0641.

Sincerely,

Wendy Wiehl, Pharm.D.  
CAADE Accreditation Chair  
Co-Chair, Behavioral Sciences Dept.  
Director, Alcohol and Other Drug Studies  
San Diego City College
