

## Guided Pathways 2019/2020 Annual Report

San Bernardino Valley College's Guided Pathways Committee was composed of for 4 faculty leads Lorrie Burnham (Resigned 2/2020), Dr. Reginal Metu, Matthew Robles and Tahirah Simpson

The committee work under the direct leadership of Dean Dr. Dmitriy Kalantarov, VPI Dr. Dina Humble and VPSS Dr. Scott Thayer

Each lead was responsible for reporting to each SBVC committee to ensure collegial consultation was exercised in every step of the implementation process thus far.

In addition to the bi-monthly committee/working group meetings this academic year and our steering committee meeting every Thursday from 4-5:30 below are the main highlights work and events throughout the year.

**October 18, 2019** the committee presented at the annual Student Services meeting, updated the departments on the work being done campus wide regarding Guided Pathways.

**Let's get to Mapping** held October 25, 2019 the committee hosted: 25 Faculty and staff attended.

- The goal for this event was to work with the department chairs and counselors to map out each department's map. This was a follow-up from Spring 2019; we received maps from 15 departments both physically and through email.
- Classified senate president attended and presented on the caring campus and classified's role in SBVC's Guided Pathways efforts.

**November 1, 2019** attended ASCCC's Guided Pathways Fall regional conference held at Victor Valley College, multiple webinars to Guided Pathways implementation throughout the country. The team consisted of students, counseling faculty, instructional faculty and the SBVC's Academic Senate President

**November 8, 2020**, we presented at the ASCCC Fall 2019 Plenary Session that was held **November 7-9, 2019** at the Renaissance Newport Beach Hotel located at 4500 MacArthur Blvd, Newport Beach, CA 92660.

### **And...Guided Self Placement or Guided On-boarding for All!:**

Increasing evidence points to the linkage between developing student self -agency and an academic mindset as components of persistence, success, and completion. Regardless of what you call it, a critical element of your local implementation of guided pathways must be a process that enables students to make their own evidence-based decisions regarding their educational journeys. How do you provide students with detailed information and communicate high

San Bernardino Valley College maintains a culture of continuous improvement and a commitment to provide high-quality education, innovative instruction, and services to a diverse community of learners.

*San Bernardino Valley College's Guided Pathways mission is to provide student centered service with transparent focus and commitment by putting student success first through easy access, clear direction and continued support in as little time possible, with campus wide awareness involving the entire faculty and staff here at San Bernardino Valley College.*

expectations within the confines of recent regulatory changes? Join us to discuss what is and is not permitted under the recent Title 5 changes and the associated Chancellor's Office guidance memos. Moreover, come learn about the Guided Self Placement or Guided On-boarding resources available from the ASCCC Guided Pathways Task Force.
