

Course Requirements For Transfer Majors

PRE-VETERINARY MEDICINE

UC Davis and Western University of Health Sciences have the only veterinary medicine programs in the State of California. For students who may be interested in veterinary technician programs, Mt. San Antonio College offers an associate degree in Registered Veterinary Technology. Mt. San Antonio College also has a joint program with Cal Poly Pomona. Students can transfer to Cal Poly Pomona from the Registered Veterinary Technology program at Mt. San Antonio College, and complete a bachelor's degree in Animal Health Science. In addition to general education courses required for transfer to Cal Poly Pomona, Western University of Health Sciences, or UC Davis, students may take the following SBVC courses for major preparation.

This guide sheet is based upon university course articulation and catalog information at the time of publication. ***Note that students are responsible for the current major requirements upon transfer to the university.*** It is advisable to consult with a counselor once a semester for any changes that may occur.

In addition to major requirements, students are advised to complete general education requirements. Applications for admission to the transfer universities are evaluated for completion of lower-division major and general education requirements. The Intersegmental General Education Transfer Curriculum (I.G.E.T.C.) is for UC and CSU transfer students. The CSU General Education Breadth (CSU GE-Breadth) requirements are for CSU transfer students. ***Note that many independent universities accept IGETC and CSU GE-Breadth as meeting their lower division general education requirements.***
