The Council on Social Work Education (CSWE) accredits bachelor's degree social work programs in the United States. Azusa Pacific University, CSU San Bernardino, CSU Long Beach, CSU Los Angeles, La Sierra University, and San Diego State University have accredited Bachelor of Social Work (BSW) programs. For information about CSWE, contact their website at [www.cswe.org](http://www.cswe.org).

This guide sheet is based upon university course articulation and catalog information at the time of publication. ***Note that students are responsible for the current major requirements upon transfer to the university.*** It is advisable to consult with a counselor once a semester for any changes that may occur.

In addition to major requirements, students are advised to complete general education requirements. Applications for admission to the transfer universities are evaluated for completion of lower-division major and general education requirements. The Intersegmental General Education Transfer Curriculum (I.G.E.T.C.) is for UC and CSU transfer students. The CSU General Education Breadth (CSU GE-Breadth) requirements are for CSU transfer students. ***Note that many independent universities accept IGETC and CSU GE-Breadth as meeting their lower division general education requirements.***
