2. Approval of minutes	Minutes motion to approve – David Smith 2 nd - Michael Mayne – with corrections Abstain – Anthony Blacksher, Dina Humble No opposition Minutes passed	Edit typo SWAT to read SWOT
3. Recap of the last meeting – SharePoint Review	Joanna shared the screen and SharePoint link to review the needs requests received. Look at how they would be scored to have an idea and collective sense of what should be looked at. Kenny would like confirmation emails to be sent for needs received. Daniel update – Google for our spreadsheet, let him know, and they'll get it out ASAP. Celia built out the needs spreadsheet; Joanna reviewed tabs and cells with the explanation. Reviewed SharePoint on where to view requests already in. The committee can ignore the first page; instructions were unclear;	Confirmation emails are to be sent for needs received. New this year, one form for multiple needs. The committee will split them out. Each area will be scored separately. Michael reminded people not to take cost a determination. The committee is to determine if there is a need, not the cost. Yvette recommended a mentorship to allow newbies to pair up with a returning member to learn the process. David Smith asked for clarification on ignoring the cost of the need. Michael explained why the cost factor was removed. Jessy presented the new SWOT Efficacy format at Academic Senate and extended the invitation for departments/programs to participate in our pilot this spring. Joanna will share the same information with student and administrative services in hopes that we will get volunteers for the pilot from multiple and diverse areas of campus.
