10:35 - 11:00 Blackboard Your Rating 1 2 3 ④ 5 1 = 😊 3 = 😲 5 = 😋	Blackboard $30,172 Annually Outcomes/Assessment Module $28,840 Annually Content Module 40 – 80K One Time Setup Additional Hosting Fees	SLO Mapping SLO Reporting at Course, Program and Student level Archive Examples
Comments: *No show — price is A real deal breaker too.*		
11:05 - 11:30 eLumen Your Rating ① 2 3 4 5 1 = 😊 3 = 😲 5 = 😋	Annual License Appx $11,180 *good price*	SLO Mapping SLO Reporting at Course, Program and Student level SLOs for Student & Administrative Services Program Review Feature — *don't see it - but might be helpful*
Comments *Much improved from previous versions of eLumen — The mapping seems very streamlined. The system seem very focussed on SLO work. I can see working w/ this, even beyond just faculty input.*		
11:35 - 12:00 CurricUNET Your Rating 1 ② 3 4 5 1 = 😊 3 = 😲 5 = 😋	$35,000 Outcomes Assessment & Program Review module $3,500 Annual Increase *ok price but Also fairly comprehensive process*	SLO Mapping SLO Reporting at Course Level Only Student Level Report is being looked into SLOs for Student & Administrative Services Program Review Feature — *would be A plus*
Comments: *clearly working off A newer version of CurricuNet Then we are currently using.* *Some clunky reports — lots of scrolling around* *might result in An update of CurrNet — A good thing! current version looks A website circa 2005!*
