Agenda Items**Discussion Notes****OPENING****Review from Last Meeting**

There was a review of what transpired at the last meeting to bring attendees up to date.

Discussion Points

The committee discussed the enrollment planning process from the previous planning cycles and how it was interwoven with the student equity plan.

Those who participated in constructed the plan were primarily James Smith, Zelma Russ, and Ed Gomez.

It was suggested that Ed Gomez come to a future meet to provide his perspective on the planning process for the previous student equity plan.
