- c. Math/Business/Computer Science/CIT & Tech Division -- Reggie Metu

2. GP faculty leads have attended committee meeting to collaborate and provide updates, soliciting assistance in implementing Guided Pathways to San Bernardino Valley College to include each group and resource.

Faculty Chair, Academic Senate, College Council, Classified Senate, and Associated Student Government meetings with the purpose of informing and

3. GP faculty leads have organized Guided Pathways: Where Are We Now/ Taco Tuesday the goal was to provide the campus with the opportunity to introduce Guided Pathways to the entire college community (The entire campus was invited and was successfully attended over 60 participants over 70% stayed the entire event and developed education plans for Business Administration and Administration of Justice,. This activity showed how difficult our students have it to find the right classes that fit into their current life. The feed back from the campus was positive and many felt the need to become involved with GP and making our campus student ready.

4. Honed in on working with our assigned divisions and department within the division, helping each division prepare for mapping their programs. We attended Division meeting and made presentations about Guided Pathways in each of the divisions separately.

5. The Committee has attended several trainings
