FACILITIES AND SAFETY COMMITTEE

CHARGE REVISIONS
STARTED AUGUST 2021
ENDED DECEMBER 2021

Previous Charge

The Facilities & Safety Committee serves as an advisory committee to college services and operations including: facilities, campus appearance, emergency preparedness, sustainability practices, and campus safety training.

Additionally, the committee reviews and submits the Facilities & Capital Outlay Plan to College Council.

Revised and approved by FS
Committee unanimous vote
on December 6, 2021

**Updated
Charge**

The Facilities & Safety Committee is charged to identify and recommend to the College Council specific actions and strategic plans that serve the institution's mission. This committee moves the San Bernardino Valley College community towards an improved educational environment with respect to health and safety, facility appearance and maintenance, environmental sustainability, grounds utility, and inclusiveness of intersecting sociocultural aspects and entities. This committee makes appropriate recommendations on facility modifications and planning of new facilities through the shared governance process. The committee also reviews and provides input on the District's safety programs. Furthermore, it is our charge to collaborate with and advise the District's Facilities Advisory Committee to advocate for and communicate SBVC's interests.
