She talked about classified professionals’ week, and due to the pandemic, the executive team wants to support staff in what they would like to do—BBQ, late fall/spring—virtual—or something extra special when we return to work. She mentioned the all-campus meetings, noting if classified staff have any specific issues, to sent them to her via email or text.

Reports:

A. **President:** Ernie Guillen is acting President in Judy Rodriguez’ absence. He noted the board meeting; he gave an update on classified professional activities; reviewed the statement of support for student trustees and voting privileges; he further noted that SBVC is going to the 4/10 work schedule effective the first week in June—there were inquiries on this schedule due to remote working from home. Ernie proposed to contact HR about sending a notice to the managers. There was discussion on what a senator does as part of the Classified Senate, as well as how many senators are needed per number of employees and how senators are allocated to various work areas. Ernie will also see about setting a meeting to meet with the president.
