SHAPING OUR FUTURE, **TOGETHER.**

WHY

- The current ORG CHART does not reflect all the work being done by Valley College.
- Some areas of the College may make more sense in a different location on the ORG CHART.
- Good timing for a big picture REORG with Vision 2030, Valley College Committee Structure updates, the Valley UP! Initiative 2025-30, and preparing for the next 100 years!

GUIDELINES

- Employees will not lose their jobs as part of the REORG, but job duties may change.
- All employees will be supported to participate in REORG opportunities outlined in the timeline.
- The timeline is subject to change to ensure all voices are heard—getting it right is more important than rushing to a decision.

OUTCOMES

- A simplified and streamlined student experience.
- A College organizational structure that minimizes duplication of services.
- An inclusive approach for a big picture reorganization that advances emerging areas, complex educational and support needs of students, and maximizing the priorities in the Valley Up! Initiative, 2025-30.
