The Curriculum Committee recommends that the pre-requisites and co-requisites approved be re-evaluated in the next 2-3 years by the appropriate departments/programs to ensure student success. Note: Committee members are voting on all Proposals, Requisites, Advisories, and Distributed Education.

| DISCUSSION ITEMS/PUBLIC COMMENT | |
|------------------------------------|---|
| REVIEW/APPROVAL OF MINUTES | No comments on the minutes. Minutes will be added to the website 11/05/2019. |
| Scheduling | HOLD |
| Hours on COR | <p>Recently, there has been a discussion about placing a range of hours on the Course Outline of Record (COR). Currently, a typical 3 unit course has a range of 48-54 hours listed on the COR. The Vice President of Instruction has been working on a new scheduling development spreadsheet that has brought the variable hours into question. This item will be discussed in further detail at the next Curriculum Committee meeting on November 25, 2019.</p> <p>Mary Copeland also brought up the issue of having the hours per week listed on the COR. Having the hours per week may be confusing to some students/faculty who are not familiar with the document. Not all courses are full-term, which would mean the hours would change based off of the number of weeks per each section. Further discussion to follow.</p> |
| SLOs | Each Committee meeting, there seems to be a lengthy discussion on the SLOs listed on the COR. Mary is hoping to mitigate this discussion by ensuring the SLO Committee and Bethany Tasaka, SLO Coordinator, review all proposals before the Curriculum Committee meeting. Glenn Drewes mentioned that there needs to be standard communication coming from the SLO Committee and suggested Bethany provide the committee with standard criteria when reviewing SLOs. Bethany may be attending the Technical Review meeting in the Spring to address any questions on the SLOs. |
| Repetitive Course Approvals | There has been an issue with faculty sending their curriculum through the process each and every year, which is becoming cumbersome to the Committee and to the Instruction Office when submitting proposals to the State. Mary asked the Committee for suggestions on how to proceed with this issue, below were some suggestions: |

Curriculum Committee and Curriculum Technical Review Agenda and Minutes

| | |
|-----------------------|---|
| | <ol style="list-style-type: none"> 1. Place a limitation that faculty cannot make changes to their curriculum until the previously approved proposals are being offered. 2. Remind faculty to be thoughtful when submitting. Faculty should be thorough when reviewing their proposals. 3. Create a policy that curriculum cannot be re-reviewed in less than a year, adding in a one-year wait time. Policy would include an emergency feature for extenuating circumstances. 4. All deadlines will need to match the newly proposed Spring deadline. 5. There should be an in-service day dedicated to curriculum development in order to ensure all faculty are trained on the process. |
