DISCUSSION ITEMS/PUBLIC COMMENT	
REVIEW/APPROVAL OF MINUTES	November 4, 2019 minutes will be posted online 11/26/2019.
VPI Updates	No updates at this time.
Gender Neutral Language on COR	Mary Copeland brought suggested to the Curriculum Committee that whenever a course outline has gender specific wording that is should be modified to gender neutral language. Currently, some courses have “he/she” and Mary is suggesting changing it to “the student”. The Committee agreed to this suggestion.
Timelines Voted on in Senate	The Senate voted to approved new timeline. As of Spring 2020, the deadline new or modified curriculum to be offered Fall 2021 will be the last meeting of the Spring semester. All curriculum will need to be approved prior to the July 2020 board meeting.
Course Approval Form:	Mary shared the New Course Development Guide with the Committee. This guide will allow faculty to submit this form before submitting any curriculum. This form was originally presented earlier this semester and has been modified to include additional criteria showcasing the faculty’s motive for submission. The goal of this guide is to assist with course submission to the State, approve course caps through Academic Senate, and allowing faculty to put thought behind the courses they are submitting. Maggie Worsley suggested adding a DE element to the form.
2020 Meeting Dates:	Tabled.
SLOs:	Bethany Tasaka has been diligent with her comments on SLOs. Mary shared a SLO Rubric, which was approved by the Academic Senate and is now located under the resources section of the curriculum website. If faculty are unsure how to structure their SLOs, the Committee was asked to forward the sheet to them. Bethany will also be creating an FAQ sheet to hand out to faculty. Just a reminder, if faculty want to change SLOs to any course or program, it all needs to go through the curriculum approval process.
