## Curriculum Committee and Curriculum Technical Review Agenda and Minutes

Agenda Items	
Review/Approval of Minutes	Approved minutes from the September 28 <sup>th</sup> Curriculum Committee meeting will be placed online.
VPI Report	Dr. Humble provided an update on the accreditation visit. The visiting team is currently reviewing our evidence and interviewing members of our campus.
New Business	<p><b>CSU-New Breadth Requirements: Ethnic Studies</b></p> <p>Janice Wilkins, Articulation Officer, provided an update on adding Ethnic Studies to SBVC's General Education. As discussed at our last meeting, the Curriculum Committee is interested in adding Ethnic Studies to our general education patterns. At this time, our local GE pattern aligns with the CSU GE-Breadth GE pattern per the Academic Senate Resolution in Fall 1996, but we need to work to update curriculum to align with the CSU's new guidelines.</p> <p>Janice attended a meeting with the Cal States discussing changes to the GE Pattern. A new "Area F" will be added effective Fall 2021-2022. Departments wishing to modify their curriculum to align with the new Area F will need to have their SLOs updated (predefined by the Cal States).</p> <p>There are some concerns on completing all of this by the submission deadline, so we are working with the History Department Chair, Colleen Calderon and respective faculty to modify their classes and to build a new Intro to Ethnic Studies class completed and approved by the last Curriculum Committee meeting in December. With the modifications and additions to these courses, we should be in alignment to build the new Social Justice: Ethnic Studies AA-T by Fall 2021. Information is continuously being updated, so stay tuned for additional updates.</p>
Old Business	Anti-Racism: Mary Copeland asked the committee about adding a rubric to the Course Outline of Record about Equity and Diversity. She is recommending adding an area where the faculty will need to ask certain questions about equity and diversity. A sub-committee is going to be formed to assist with creating a rubric. Additional information will be available at the next meeting.
