HOSP 140	Introduction to Hotel Management	Meyer	New Course	This course will be a part of the Hospitality program.	HOLD – Pending updates to the program.
TECALC 087	Technical Calculation	Romero/Halabi	Modification	This class is a requirement for many CTE courses. It not only incorporates math elements, but goes into detail on how to apply these skills from a technical aspect. The Math department has a concern on the content within the course and how it aligns with some of the courses in their department. We will be returning this proposal to the department to update the content to better align with the technical aspect being taught in this course.	Returned to department.
TCALC 687	Technical Calculation	Romero/Halabi	New Course	Per the department, this course needs to stay for credit.	Removed from Approval Process.
