VPI Report	
New Business	Course and Program Voting
Old Business	<b>AB 928 Updates</b> – Bethany Tasaka provided updates on AB 928. The Academic Senate approved an ad-hoc committee for AB-928. Janice Wilkins spoke about a document from ICAS. The framework (GE Pattern) has been approved by ICAS. Lifelong learning is no longer a part of the GE Pattern, but there is some wording about where we can add the lifelong learning courses to degrees or certificates. The local GE Pattern may be able to house lifelong learning courses. The ad-hoc committee will be discussing where we can add these courses. Keenan Giles mentioned how we can collaborate with Guided Pathways and Career Services to make milestones and ways to make lifelong learning part of the local GE pattern. Janice is waiting until the standards come out, which should happen around May 31 <sup>st</sup> . We will be able to vet the new GE pattern by Fall 2023.

The Curriculum Committee recommends that the pre-requisites and co-requisites approved be re-evaluated in the next 2-3 years by the appropriate departments/programs to ensure student success. Note: Committee members are voting on all Proposals, Requisites, Advisories, and Distributed Education.
