Program Review Committee Charge

The Program Review Committee guides and serves as a resource for the process of self-evaluation of all instructional and service areas for regular assessment of San Bernardino Valley College programs. Program Review is conducted by authorization of the SBVC Academic Senate.

The purpose of Program Review is to:

Guide the college through an ongoing self-examination of how effectively programs and services are aligned with its mission, vision, and values through a structured process.

- Guide the college through an ongoing self-examination of how effectively programs and services are aligned with its mission, vision, and values through a structured process.
- Foster a culture of continuous improvement.
- Contribute information and recommendations, including needs assessment and resource requests, to other college processes and committees.
