### **Course Descriptions**

Each course entry in this catalog includes the course number, title, prerequisite, a brief description, the number of semester units, and the number of hours the course meets based on a 17- week semester. The course entries also include information about how the course credit applies to associate degrees and transfer to The California State University and University of California systems.

- Courses numbered from 600 through 699 are non-credit and do not receive any type of college credit.
- Courses numbered from 001 through 099 are generally applicable to certificate and associate degree programs.
- Courses numbered from 100 through 299 are generally applicable for associate degrees and baccalaureate degrees conferred by universities.
  - Courses that are designated CSU transfer to CSU campuses system wide.
  - Courses designated UC are approved by the UC Office of the President as comparable to courses offered at UC. Courses with \*UC notation indicate that some credit limitation applies. UC limits credit on courses that are similar in nature or taken after a higher-level course(s). To access information on SBVC courses that transfer to UC, go to [www.assist.org](http://www.assist.org).
  - Although courses may be indicated in the catalog as transferable to UC and/or CSU, they may or may not meet general education or major preparation. Students who plan to transfer to UC or CSU should consult with a counselor and research the following websites:  
[www.calstate.edu/apply](http://www.calstate.edu/apply) [uctransfer.universityofcalifornia.edu](http://uctransfer.universityofcalifornia.edu) [www.assist.org](http://www.assist.org)
- Courses numbered from 900-999 are not applicable to associate degrees and generally do not transfer to four-year institutions.
- Certain course entries include a symbol X and a number following the symbol, such as MUS 141X2. This symbol (X) indicates that this is a skill-based course and may be taken for credit more than once; the number following the symbol (X) indicates the number of times the course may be taken for credit.

*Revision: Effective Fall 2020, addition to the 2020-2021 Catalog.*

### **CSU GE-Breadth Certificate of Achievement**

The CSU GE-Breadth certificate of achievement is intended for students who are planning to transfer their lower-division transferable general education and major preparation courses from SBVC to a campus in the California State University (CSU) system. It may also be accepted by some private/independent or out of state universities. Successful completion of the CSU GE-Breadth certificate requires an overall grade point average (GPA) of at least a 2.0. Students are strongly advised to meet with a counselor early to discuss their transfer plans, as completion of the CSU GE-Breadth does not guarantee admission to a specific campus within the CSU system, nor does it guarantee admission to a specific major. Students are required to have a minimum total of 60 transferable units that include a combination of general education and major preparation courses.

***Students completing the IGETC or CSUGE transfer breadth requirements will receive a notation on their San Bernardino Valley College transcript (See Admissions & Records website for application).***

*Revision: Effective Fall 2020, updating to add transcript wording to page 53 of the 2020-2021 Catalog.*

It may also be accepted by some private/independent or out of state universities. The course requirements for all areas in IGETC must be completed with a grade of "C" or higher. Students are strongly advised to meet with a counselor early to discuss their transfer plans, as completion of the IGETC certificate does not guarantee admission to a specific campus within the CSU or UC system, nor does it guarantee acceptance into a specific major. Students are required to have a minimum total of 60 transferable units that include a combination of general education and major preparation courses.
