I am excited that you have chosen to investigate the many courses San Bernardino Valley College has to offer in the spring of 2021. No matter your educational goals, SBVC is ready to prepare you for the workforce, with 88 different certificate programs and 69 degree programs. For transfer students interested in heading to a 4-year college or university, SBVC offers numerous AA-T and AA-S transfer degrees that guarantee admission into the 4-year California State University system.

SBVC offers degrees in the liberal arts, sciences, technology, business, and the humanities. Our certificates cover many popular, in-demand professions, including nursing, geographic information systems (GIS) and water supply technology. At SBVC, we make it a point to stay in touch with our educational and business partners to make sure that we are offering programs that area employers look to for qualified graduates. As your college president, it is my responsibility to ensure that the level of educational excellence in programs and services at SBVC will not waver despite the constant changes in our world.

By enrolling at SBVC, you are choosing to revolutionize your future, just like millions of Inland Empire students who have come before you on our campus over the last 93 years. By deciding to educate yourself, you have stepped into the driver’s seat of the most reliable vehicle for upward mobility in this community. There is no better gateway to a brighter future than to pursue your dreams with education. I applaud you for taking charge of your future by starting or continuing the pursuit of your educational goals here at San Bernardino Valley College.

Sincerely,
Diana Z. Rodriguez
PRESIDENT
Follow these easy steps that will take you from application to registration.

STEP 1. APPLICATION (ADMISSIONS)
An application must be completed by all NEW students and returning students who have missed one or more terms. You may apply online at http://www.valleycollege.edu and click on “Apply For Admission.” Upon completion of the application process, you will be sent a Student Identification Number by e-mail. This is mandatory for all the other steps of enrollment!

STEP 2. ORIENTATION
All new students are required to participate in Orientation and Assessment unless specifically exempted from this process. When you submit an application for admission and you have received your SBVC student ID number, you will need to complete the Student Orientation Session. This must be completed online at: www.valleycollege.edu/webadvisor located under other services.

College is quite unfamiliar to you as a first semester college student. Orientation to college will dispel most of your unfamiliarity about SBVC. Through orientation, you will know course offerings and services including the expectations set before you, such as, college life and responsibilities as well as the college culture.

STEP 3. Guided Self-Placement (GSP)
After completing your orientation, you must take the GSP for placement into English, reading and math, or ESL (English as a Second Language). This will assist counselors in helping you select courses for the semester. To complete the GSP, please go to www.valleycollege.edu/webadvisor. 1. Log in, 2. Select “Current Student Menu” 3. Under “Academic Planning” select: Online Placement (SBVC).” For the ESL assessment go to the Counseling or ESL web pages. If you have questions about the GSP you may call the Assessment Center at (909) 384-4409.

STEP 4. COUNSELING
As a new student, meeting with a counselor for an education plan is very important. A counselor is an excellent resource to help you with career choices and to answer questions regarding your educational goal. Counselors will help you find the appropriate courses for your program of study and assist you in creating an Education Plan, as well as, direct you to other student and academic support services. An initial or abbreviated education plan is required for new students to be able to register for classes. For other related information or resources, you may visit: http://www.valleycollege.edu/student-services/counseling/counseling-services.

Schedule a counseling appointment for a two-year comprehensive education plan during a “non-registration” time period. The recommended time is between: September – October or February – March. To maintain priority registration, students must have a comprehensive education plan on WebAdvisor after completing thirty (30) units at SBVC. Counselors are available throughout the Fall and Spring Semesters offering same day appointments on a first-come, first-served basis.

STEP 5. REGISTER FOR CLASSES
Follow the advice that you received in Orientation. Use the Education Plan provided to you by the counselor and enroll in the courses that apply to your goal. You may register online through WebAdvisor on or after your priority registration date.

STEP 6. PAY FEES
Fees can be paid in two ways:
1. Online: www.valleycollege.edu/ ➔ WebAdvisor (by credit card)
2. In person at the Admissions Office.

Read more at www.valleycollege.edu/samedaypay. Financial Aid is available to those who qualify. Go to the Financial Aid Office (AD/SS-106) or visit the website at www.valleycollege.edu/Financial_Aid/ for additional information.

Accreditation
San Bernardino Valley College is fully accredited by the Western Association of Schools and Colleges. We are a member of the American Association of Community and Junior Colleges and the California Association of Community Colleges.

Accuracy Statement
The San Bernardino Community College District has made every effort to publish an accurate schedule of classes, but may, without notice, change general information, courses, or programs offered. The reasons for change may include student enrollment, level of funding, or other issues decided by the district or college. The district and college also reserve the right to add to, change, or cancel any rules, regulations, policies and procedures as provided by law. Please visit the San Bernardino Valley College webpage at: www.valleycollege.edu for the most up-to-date and accurate information.
SBVC is one of the most affordable colleges in the country, but it isn’t free. You are responsible for all fees related to your enrollment.

**PAYMENT POLICY**

Payment can be paid at the time of registration.
- Outstanding registration fees may impact future registration. Students that owe more than $200.00 will be blocked from registering.
- If you are a financial aid recipient, your award will not cover all of your fees. You are responsible to submit payment for any balance due.

**RESIDENCY**

To be declared a California resident, you must have been physically present in the state, continuously, for a year prior to the beginning of the term during which time you must have taken steps to make California your permanent residence. In matters of residency, the burden of proof lies with the student. If the applicant is not 18 years or older, s/he may derive residency status from their parents (or guardian) if the parent (or guardian) has established residency according to the above standard.

**Non-California Residents** are welcome to attend SBVC but are required to pay non-resident tuition and capital outlay fee, as well as the enrollment fees paid by California residents.

**Members of the United States armed forces** stationed in California on active duty are exempt from non-resident tuition for the duration of their attendance at a community college as long as they remain on active duty. Spouses and dependents are entitled to a waiver of the non-resident fee as long as they are continuously enrolled.

**AB 540**

1. SBVC, in compliance with California law, will waive non-resident tuition for non-resident students if they meet all of the following criteria:
   - You have attended a California high school for at least 3 years
   - You have a high school diploma (or equivalent)
   - You have applied for legal status – or will sign an affidavit stating your intent to do so.
APPLICATION PROCEDURES

1. All new and returning students may register online at www.valleycollege.edu.

2. Transcripts of Prior Work
Students must have official transcripts of all college work not done at San Bernardino Valley College sent to the Admissions and Records Office (Administration/Student Services Building) if they are planning to attend. If the student does not submit an application, the transcript will be destroyed.

3. Orientation/Assessment/Advisement
All new students are required to participate in Orientation and Assessment unless specifically exempted from this process. When you submit an application for admission and you have received your SBVC student ID number, you will need to complete the following:

   - Student orientation session: This can be completed in two ways, online or on campus.
     - For online session, visit the web site: www.valleycollege.edu/webadvisor
     - Make an onsite appointment for group session on campus in the Counseling Center (AD/SS 103) or call (909) 384-4404.

College is quite unfamiliar to you as a first semester college student. Orientation to college will dispel most of your unfamiliarity about SBVC. Through orientation, you will know course offerings and services including the expectations set before you, such as, college life and responsibilities as well as the college culture.

   - Assessment Appointment:
     - Schedule an appointment at https://esars.sbccd.org/V_AssessmentCtr or with the Assessment Center (AD/SS 101) or (909) 384-8955.

SBVC uses the Accuplacer assessment test*. The test is primarily used to assist students in the following:

   - Identify skill levels in English, reading, math and ESL;
   - Meet class prerequisite requirements;
   - Choose appropriate classes;
   - Develop student education plan.

*You may access test sample questions through www.collegeboard.com/student/testing/accuplacer

Report at least fifteen minutes early on the assessment date you have chosen. Bring a printout or picture of your orientation completion certificate with your name printed on it, a photo ID (driver’s license, school ID, state ID, passport) and your SBVC ID number.

   - Academic Advisement: Starting fall 2014, all new students must have an initial education plan on WebAdvisor before they can register for classes. Furthermore, all new students effective fall 2014 must have a comprehensive education plan upon completion of thirty (30) units at SBVC to maintain priority registration. Continuing students prior to fall 2014 must meet with a counselor before start of their second semester of attendance to develop their comprehensive education plan. You may go to the Counseling Department in AD/SS 103.

4. You May Be Exempt From Assessment:
You may be exempt from the English Assessment if:

   - You received a grade of “C” or better in a prerequisite English course at the college level.

You may be exempt from the math Assessment if:

   - You received a grade of “C” or better in a prerequisite math course at the college level.

You may be exempt from assessment if you meet at least one of the following criteria:

   - Associate Degree or higher from a regionally accredited college or university;
   - An earned score of 3.0 or higher in Advanced Placement Tests in English and math;
   - Submission of assessment placement scores from another California Community College taken within the last two years;
   - Enrolling in courses to achieve or maintain certificate or license requirements which do not require math, reading, or English prerequisites;
   - Enrolling in courses for personal enrichment which do not require math, reading, or English prerequisites. A maximum of 12 units may be taken prior to Assessment.

You may go to the Counseling Department in AD/SS 103 for the exception form.

POLICY ON ASSESSMENT

1. All entering students are required to complete the San Bernardino Valley College assessment process unless exempted.

2. Assessment results are valid for two years. After two years, students are to be reassessed if they have not satisfactorily completed an English, math, reading or ESL course at SBVC.

3. Students may be reassessed once when one of the following situations exists:

   - When one full year has elapsed from previous tests;
   - When recommended by the department chair or division dean to retake the test;
   - When recommended by the Student Policy and Scholastic Standards Committee in accordance with the exemption permitted by the SBVC Policy on Assessment.

4. Students who reassess will be advised that the most current assessment results will supersede all other test results.

5. Students may satisfy the prerequisite for English, math, and reading through:

   - An assessment process;
   - Satisfactory completion of the prerequisite course;
   - Providing acceptable challenge documentation to the department chair or division dean.
STUDENT ALERT – IMPORTANT CHANGES EFFECTIVE FALL 2016
In response to SB 1456, the Student Success Act, the following changes became effective in fall, 2014. Your priority registration category will be lost and you will be placed in open registration if you fall under any of the following conditions:

- Placed on academic or progress probation or any combination for two consecutive semesters or on dismissal status

General Information
The Office of Distance Education coordinates all courses which are computer and web based in their delivery are available to the students of Crafton Hills College in Yucaipa and San Bernardino Valley College in San Bernardino. Online and Hybrid courses require accessibility to a computer system with an Internet connection. Some courses require some on-campus meetings. Fees and academic credits are equivalent to traditional classroom courses.

Requirements for Online Courses
Although each class has its own set of technical requirements, generally online classes require a computer with a “modern” operating system (such as Windows 7 or Mac OS X), a “modern” web browser (such as Internet Explorer, Firefox, Safari, or Chrome), and a reliable connection to the Internet.

How to Succeed in a Fully Online Course or Hybrid Course
Successful students claim that determination, planning, and self-motivation are needed to complete a course that lacks the regular meetings of an on-campus structure. Here is a plan of action that might help you.

1. For an online or hybrid course, access the instructor’s website to get a copy of the syllabus and learn what is expected of you as a student.
2. For a hybrid course, attend the first on-campus meeting to meet the instructor, understand the course goals and requirements, and receive the course syllabus and assignments.
3. Read the study materials related to assignments as presented by the instructor. Take notes and highlight important information.
4. Log in to your online server several times a week to keep up with new messages from the instructor and classmates.
5. Be aware of due dates and do not wait until the last hour to send them.
6. For a hybrid course, formulate a list of questions during your study time to present to the instructor at the on-campus meetings or to post to your online class or call the instructor during his or her scheduled office hours.
7. Form a support group with other members of the class to review and discuss the content of the course.

Are You a Candidate for an Online or Hybrid Class?
This assessment is provided to help you decide if online or hybrid learning is appropriate for you. This exercise is an indicator but not a definitive answer. The assessment covers two parts: Learning Style and Technical Aspects.

Learning Style
- Do you stay on task without direct supervision?
- Can you prioritize your own workload and adhere to timelines?
- Do you usually understand and properly interpret written materials, especially instructions?
- Could you allocate as much time in your schedule as you would for a “traditional” class but with more flexibility?
- Are you able to attend some class meetings on campus (less than 6 a semester)?
- Would you enjoy the new experience of learning by way of a computer?

If you answered “YES” to the Learning Style questions, continue to the next section.

Technical Aspects for ONLINE and HYBRID
- Do you have a computer system available to you that can access the Internet?
- Could you “go online” multiple times a week?
- Have you opened and sent e-mail messages?
- Have you installed a program after “downloading” it from a remote computer to your computer? Do you know how to “copy and paste” text from a word processing document to an email message?

If you answered “YES” to the ONLINE questions, you meet the conditions for online delivery.

Conditions
Online courses require structure, which you will create for yourself. You will need self-discipline to adhere to your self-made schedule. Much of the material covered in a Distance Education course will require that you learn from reading textbooks, Internet-based articles, and written materials from the instructor.

Benefits
The beauty of Distance Education learning is the flexibility of time available for you, as the student, to access the virtual classroom or to view TV programs. You can set your class time around your work schedule and family or social activities. You will soon realize the savings normally incurred with driving time and vehicle-related costs. If you take only D.E. courses you won’t have to deal with parking constraints on a weekly basis. Plus, there may also be a reduction in childcare costs. You could also benefit by combining D.E. courses with traditional classes. Now it’s your choice. Check with an Academic Counselor to determine which classes you need, then see if they are listed in this schedule. Distance Education may not be for everybody. However, for those who are self-motivated, it could prove to be an invaluable experience.

Are Online Classes right for me?

Online classes require discipline and self-motivation. If you have these qualities, online classes might work for you. Please visit this website for some self-assessment tools to determine whether online classes fit your learning style and your lifestyle:

http://distance.uh.edu/online_learning.html

What are the Minimum Technology requirements?

Although each class has its own set of technical requirements, generally online classes require a computer with a "modern" operating system (such as Windows 7 or Mac OSX), a "modern" web browser (such as Internet Explorer, Firefox, Safari, or Chrome), and a reliable connection to the Internet.

Please see the list of classes below and visit the Universal Access Point (the URL listed in the next paragraph) for specific technical requirements for each section. If you have access to this technology, you probably have the minimum requirements to take the classes listed below, but please check each section for the specific technical requirements.

What to do after I register for an online or hybrid class?

The Universal Access Point for information for all online and hybrid classes is:

http://www.valleymountains.edu/OnlineTrack/uap.php

Before the semester begins, point your browser to this web page and you will be able to find your online or hybrid class and be linked to all the information you need to begin that class. The information for each online class might be different. So be sure to visit the link for each online and/or hybrid that you have chosen. Do NOT assume that the technical requirements or the processes and procedures for each class are the same.

This Universal Access Point is your gateway for all the information you need to begin your online and/or hybrid classes. In addition, this Universal Access Point will provide you with people to contact if you have further questions about any online and/or hybrid class.
Address Changes
All changes to your contact information can now be done online. Log into WebAdvisor, select ‘Contact Information’ and make all necessary changes.

Associated Student Government
The Associated Student Government (ASG) is the official student government organization of San Bernardino Valley College. The ASG represents all SBVC students. The primary responsibility of ASG members is to represent student interests on college, district and statewide committees. In addition, they plan and manage various ASG accounts, including the Student Body Center Fee Account, the Student Representation Fee Account and the General Account. Funds from these accounts are used to support various activities, advocating efforts and Campus Center services and programs. Students can become active in ASG either by running for office during the spring semester or by applying to be appointed to any vacant positions during the fall semester. Appointments are at the discretion of the ASG President with Board of Senators ratification. The ASG Office is in Campus Center, Room 128 or call (909) 387-1611.

ASB Discount Sticker
Students who purchase a sticker are entitled to many benefits including a 5% Bookstore discount, free admission to athletic events, and certain discounts on books only for the first five weeks of the fall and spring semesters and at local businesses. The sticker is purchased at the point of registration or at the Bookstore after obtaining a student ID card. For more information, contact the ASG office at (909) 387-1611.

Attendance
Students will be told at the beginning of each class exactly what is expected regarding attendance. The instructor’s decision is final. In the event that an absence is unavoidable, students are responsible for notifying instructors. Failure to attend class meetings during the first week of a term may result in a student being dropped from the class.

Auditing
Students who have been admitted to SBVC are eligible to apply to audit courses at the college. Students must meet all course prerequisites. It is the responsibility of the student to provide documentation that the prerequisite(s) has been satisfied. Auditing enrollment is permitted only on a space available basis. A student may enroll in a course for audit only if they have not enrolled in that course for credit during the same semester.

Students shall complete an audit application. Any instructor may refuse auditing without explanation. Credit students will always receive registration priority and space in the classroom over student(s) that are auditing the course. Once audit enrollment is completed, no student will be permitted to change their enrollment from audit to receive credit nor is a student permitted to change enrollment from credit to audit. The course audited cannot be used as a prerequisite.

The fee for auditing is $15 per unit. A student enrolled for credit in ten (10) or more semester credit units will not be charged a fee to audit three (3) or fewer units per semester. Students must also pay all mandatory student fees. Audited classes do not count towards units for financial aid, veteran’s benefits, full-time student status, or any other purpose. No refund will be permitted after enrollment per BP/AP 5033. Classroom attendance of students auditing a course shall not be included in computing the apportionment due to the District.

Bookstore
The Bookstore, located in the Campus Center, Room 123, sells textbooks and a wide variety of supplies, software, sportswear, accessories, and gift items. The Bookstore has the upcoming session’s textbooks available one week prior to the start of classes. Bookstore hours vary throughout the semester. - The check must be made out to the “SBVC Bookstore” and will be accepted for the amount of purchase only.

- Educational and career planning including the development of students’ abbreviated and comprehensive education plans
- Appointments for abbreviated education plan for one to two semesters to accommodate immediate scheduling needs for registration are scheduled during the entire academic year.
However, due to the influx of students during registration periods, it is highly recommended that appointments for comprehensive education plan be made during non-peak registration periods in September until mid-October, February, and March. Note that the comprehensive education plan covers all semesters required for the achievement of the student’s educational goal/s.

- Personal counseling to meet the short-term needs of students with personal concerns which impact their academic life
- International student counseling to meet specialized enrollment and counseling needs of F-1 visa students

Counseling services are provided to prospective, new, and continuing students in an individual and/or group basis as well as online. Students may be seen on a same-day appointment on a first-come, first-served basis. To make a same-day appointment, please call. For limited online advisement and additional information, visit our website.

Credit Hours (Units)
One credit is awarded for each 16-18 lecture hours of instruction, or for 48-54 laboratory hours, or for appropriate combinations of lecture and laboratory hours. Our goal is to provide equal opportunities for all community members in all areas of the college including admission, student financing, student support facilities and activities, and employment. Federal laws and District policies strictly prohibit all types of discrimination, including sexual harassment and inequalities based on race, color, religion, sex, age, marital status, physical disabilities, mental impairments, or sexual orientation. The District’s non-discrimination policies are supported by the requirements of Titles VI and VII of the Civil Rights Act of 1964, as amended; Title IX of the education amendments of 1972; the Age Discrimination in Employment Act of 1975; and sections 503 and 504 of the Rehabilitation Act of 1972, as amended, and the Americans with Disabilities Act. San Bernardino Valley College is further committed to overcoming sex discrimination and sex stereotyping in vocational education programs. In addition, the lack of
English language skills will not be a barrier to admission and participation in vocational education programs. Students, job applicants, and employees may complain of any action, which they believe discriminates against them on the above-cited grounds. For information regarding the college’s non-discrimination policy or to file a complaint, contact the Vice Chancellor of Human Resources and Employee Relations

2. A valid credit or debit card
3. Make, model, year, color of car plus your license plate number and state of issue

Method 2: Unable to Purchase Online, Then Purchase Parking Decals on Campus
To purchase a parking decal on campus, you will need
1. The ability to use a computer on campus
2. The ability to log into WebAdvisor
3. Cash or check payable in the Campus Business Office, AD/SS 206
4. Make, model, year, color of car plus your license plate number and state of issue
5. Valid mailing and e-mail addresses

All parking decals will be sent by U.S. mail to the mailing address you provide. If needed, you may print a temporary pass at the end of the online transaction to display on your dashboard until the actual parking decal arrives. If you have any problems, call the 800-number provided at the Credentials site.

Pass/No Pass
Students who wish to be graded in any class on a Pass/No Pass basis must complete the appropriate form, which is available in the Admissions and Records Office (AD/SS 100) or on the college website. The paperwork must be submitted no later than the end of the first 30 percent of the course. Credit will be granted only when the work is of a quality equivalent to a grade of “C” or better. A maximum of fifteen (15) units of credit (P) courses may apply toward graduation requirements. Pass/No Pass grading is not permitted in a course within a student’s major area of study. This rule may be waived for students who complete courses for credit and who later declare a major in that field of study. Once Pass/No Pass has been selected as a grading option, a letter grade (A-F) cannot be issued.

Prerequisites, Corequisites, Departmental Advisories, and Limitations on Enrollment
When registering for classes, students are required to adhere to enrollment policies that relate to prerequisites, corequisites, and departmental recommendations.

A prerequisite is a course or skill that must be met before a course is taken. Students registered in a class without having completed the prerequisite(s) may be dropped from the class. Prerequisite courses must be completed with a grade of C or higher. Prerequisite courses completed with a grade of D or F indicate unsatisfactory performance in the course and do not satisfy the prerequisite.

A corequisite is a course that must be taken during the same semester as another course in which the student would like to enroll.

A departmental advisory is a suggested course that would be helpful for a student to have completed prior to enrolling. A departmental advisory is a suggestion, not a requirement.
Students may challenge a prerequisite or corequisite on one or more of the following grounds:

The student can demonstrate they have the knowledge or ability to succeed in the course or program despite not having satisfied the prerequisite or corequisite;

The student will be subject to undue delay in attaining their educational goal as outlined in their Student Education Plan (SEP) because the prerequisite or corequisite course has not been made reasonably available;

The prerequisite or corequisite is discriminatory or is being applied in a discriminatory manner;

The prerequisite or corequisite has not been established in accordance with the District’s process for establishing prerequisites and corequisites or was established in violation of Title 5.

It is the student’s responsibility to provide information to support the challenge. Challenges must be filed in the Division Office within the first week of class. The college will process the challenge within five (5) working days. For information on challenging a prerequisite, contact the Division Office at (909) 384-4404.

**Probation and Dismissal**

A student will be placed on Academic Probation when his/her current cumulative grade point average following completion of 12 or more units falls below 2.0. A student will be placed on Progress Probation if, following completion of 12 or more units, he/she receives non-evaluative symbols of “W,” “I” and/or “NP” in 50% or more of the units in which he/she has enrolled. A student on Academic or Progress Probation may be dismissed for one semester when one or more of the following conditions exist:

- The student has earned a cumulative grade point average of less than 2.0 for three consecutive semesters.
- The student has received non-evaluative symbols of “W”, “I” and “NP” in 50% or more of the units for which he/she was enrolled for three consecutive semesters.
- The student has been on Academic and/or Progress Probation for three consecutive semesters.

Students experiencing problems in any class are encouraged to consult with the instructor and a counselor.

**Repeating a Course**

Course repetition allows students to repeat classes under the following circumstances: (Title 5, Section 58161)

The student is repeating the course to alleviate substandard work, which has been recorded on the student’s record (D, F, or NP). Courses in which a substandard evaluative symbol has been assigned may be repeated two times for a total of three enrollments. Students may attempt a course more than three times only upon approval through the college’s petition process (Title 5, section 55024).

The course outline of record has been officially changed and demonstrates significant curricular changes. A Petition for Academic Exception is required.
