

San Bernardino Valley College Spring 2018 Registration Zero-Textbook-Cost Sections

These course sections exclusively use digital or other instructional materials that are free of charge to students and may have a low-cost option for print versions for students who prefer this format. Please note there may still be other non-textbook mandatory costs associated with some of these sections (e.g. scantrons, scientific calculators, laboratory materials and/or supplies, etc.). Under some circumstances, faculty may have to adjust selection of instructional materials and this can affect student costs. It may also be necessary to replace instructors scheduled to teach sections. Replacement faculty have academic freedom to choose instructional materials regardless of costs and are not obligated to use free course materials selected by previous instructor. This list might be updated throughout the registration period. If you have questions, contact the Textbook Affordability Campus Coordinator: rpires@valleycollege.edu.

Course Number	Course Title	Section Number	Faculty	Textbook Costs
