

San Bernardino
Valley College
Water Supply Technology

We are offering Free Non-Credit Courses. These Courses are designed to familiarize students with the expected Range of Knowledge (ROK) required to pass the State Water Resources Control Board (SWRCB) Operator test at level D1, D2, T1. The courses may also be used to earn Continuing Education Units (CEU) required to renew the certificate or as refresher classes for operators currently in the field.

Non-Credit Courses.

- ✓ WST 601 – Test Review for Distribution I (09/03/16)
- ✓ WST 602 - Test Review for Distribution II (09/10/16)
- ✓ WST 611 - Test Review for Treatment I (11/5/16)
