These courses have been IGETC-approved and are transferable to accredited 4-year colleges. These courses count toward completion of the SBVC Honors Program, and selected courses count for pre-major credit.

Though the Honors Program encourages all students wishing to take one of these courses to enroll in the Program, a student need not be in the Program to enroll in an Honors course.

If you have questions or wish to join the program, contact Honors Counselor Botra Moeung:
