- SLOCloud
- Strategic Directions and Goals
- Object Codes
- Object Code Guidelines
- Archive of Previous Efficacy Reports
- California Community College Chancellor's Office Datamart
- California Community Colleges Student Success Scorecard

Other Resources

Sample Efficacy Report with Disaggregated SLO Data: The Architecture program submitted an efficacy report in the sprin SLO data in several ways and provided good analysis. This excerpt of the Student Success area of the Architecture efficacy r efficacy writers are also urged to attend the SLO/SAO disaggregation workshops to fully understand how to access and use data.

CTE Labor Market Information (LMI): CTE programs must request LMI data from the Inland Empire/Desert Regional Consc Desert Community Colleges. The request form can be accessed at this site: https://www.desertcolleges.org/lmi/index.php

SLO/SAO: Information on your program's SLOs or SAOs are found in the SLO Cloud. This is accessed through WebAdvisor c top right of the college website main page.

Program EMPs: All programs are required to update their Educational Master Plan (EMP) narrative each fall, based on annu goals. Please use your current EMP in writing Efficacy Reports. However, historical EMPs can be found on the College Planni maintained by the Division of Research, Planning, and Institutional Effectiveness.

Research Requests: A link to the research request form can be found on the main webpage of the Division of Research, Pla Effectiveness. Deadlines to submit requests for needs assessment or efficacy are generally noted at the time those documer committee.

For the results of the last Needs Assessment or Efficacy Cycle, or for any historical information, please refer to the archive.
