Join us for an engaging community event intended to foster meaningful dialogue and center our collective commitment to the success and empowerment of our Black and African American students.

- ✓ Gain insights into the experiences and challenges of Black and African American students at Valley.
- ✓ Explore programs already in place, designed to build a sense of community for and provide vital support to our Black and African American students.
- ✓ Actively contribute and make a commitment to working intentionally and collaboratively with SBVC to better cultivate and support the excellence of our region's Black and African American students.
