

SLO Submission Form

Instructions

☒ **Fill out each section**
Completeness is key to creating actionable reporting. Fill out all the fields and be as verbose as necessary.

 **Discuss your ideas**
Every single proposed action is considered, so use this time to get your best ideas on the plate.

Term

--Select One--

Your in-progress report is automatically saved as a draft in this browser, so you won't lose your work if your session times out before you submit. Drafts stay on this computer only — avoid entering student data on a shared or public computer, and use **Logout** when you're finished to clear them.
