Hello Faculty!

Here are some ways to support and strengthen the Regular and Substantive Interaction (RSI) in your hybrid and online courses.

DE Level 2: RSI Essentials Faculty Mentoring Program

We expect to launch the first cohort of this new training no later than March 2. If you're selected, DE Committee members will mentor you in a live course for eight weeks to ensure your RSI activities align with accreditation standards. This mentoring is available for courses of any length. We'll provide timely, actionable feedback to support continuous improvement and modifications as recommended.

If you are interested in participating, please [register for DE Level 2](#) by **Sunday, February 15**. We'll then notify selected faculty regarding the next steps.

RSI Faculty Reflection

The DE Committee has developed an RSI Faculty Reflection in two formats:

[RSI Faculty Reflection \(PDF\)](#)

A downloadable version you can complete offline.

[RSI Faculty Reflection \(Microsoft Forms\)](#)

A version you can submit online if you would like feedback.

Thanks!

Sheri
