

Level 1 training is a facilitated course with weekly assignments to be submitted as evidence of competency in various areas. The topics covered in Level 1 include Title 5 language related to Distance Education, Regular and Substantive Interaction (RSI), accessibility responsibilities, student support and equity, student-to-student interactions and instructor-to-student interactions. Level 1 does not teach you how to use the functions of Canvas. Participants should have a basic knowledge of Canvas functions i.e. how to upload documents, how to navigate modules, etc. prior to taking Level 1. Without such foundational knowledge, the amount of time required to complete the work in the course will increase significantly. This course satisfies the minimum training requirement at SBVC.

Note: If you have previously completed Level 1, you are not required to re-take the course to maintain currency. You'll need a Refresher training instead.

Upcoming Level 1 Trainings (Please register for a specific training by clicking on the link)

Spring 2026:

[4 Week: January 26, 2026 to February 22, 2026](#)

[8 Week: March 2, 2026 to May 3, 2026](#)

Summer 2026:

Registration links for Summer training to be posted by early May.

4 Week: June 1, 2026 to June 28, 2026

4 Week: July 6, 2026 to August 2, 2026
