

HISPANIC HERITAGE MONTH

Literature Week

STORIES. CULTURE. COMMUNITY.

San Bernardino
Valley College

sbvalleycollege and sbvclibrary

And don't forget to stop by the SBVC Library throughout the week! Explore the Hispanic Heritage Month display in the Reference Area near the librarians and discover books and authors exploring family, identity, culture, migration, belonging, and more.

On Thursday, join us for Mi Nombre, Mi Historia: My Name, My Story, where you can create your own button inspired by your name and the story behind it. Your design can celebrate your family surname, your given or chosen name, or another meaningful cultural connection. It's a small way to share a piece of your story and celebrate the many identities and experiences that make up our SBVC community.

✨ Follow along throughout the week as we celebrate literature and the voices behind it.
