Support for Part-Time and Re-Entry Students As You Transition to College

San Bernardino Valley College's D.E.E.P program is committed to successfully transitioning part-time, first-year and returning students into college. It is the aim of the program to assist in removing barriers through various support services to effectively promote college integration, retention, graduation, and transfer for underserviced students. We understand how challenging college can be and we are here to support you while you are navigating this journey.

We welcome students that are entering SBVC from all Adult Education Schools as well.
