Brothers Reaching Out To Help Everyone Reach Success

"Brothers Reaching Out To Help Everyone Reach Success" (BROTHERS) was founded on the campus of SBVC in 2015. It functions as SBVC's Men of Color Action Network (MOCAN) Chapter and is the hub for Men of Color across campus.

BROTHERS was created based on the narrative that Black Male Students and Men of Color in general were the lowest-performing demographic in all statistical categories and key performance indicators in education. Understanding the statistical data is not at all indicative of the potential (academic or otherwise) of the demographic, BROTHERS seeks to change the narrative and exemplify what it means to "*be the change you wish to see in the world*".
