The Pharmacy Technology Program is designed to prepare students for entry-level employment as a pharmacy technician, providing medications and other healthcare products to patients and consumers.

Under the supervision of a Pharmacist, students learn to fill prescriptions, establish and maintain patient profiles, prepare insurance claim forms, take inventory, and stock medications. A background check and drug test is required for clinical experience. The California Board of Pharmacy may deny the Pharmacy Technician license based on convictions substantially related to Pharmacy Technician practice.

Ready to Join? Petition Clearance & Program Orientation Sessions

***Now enrolling for Spring 2027 (Classes begin week of January 19, 2027)**

These sessions are required for SBVC students who plan to register for a Pharmacy Technology (PHT 060) course.

Important Information:

- Students wanting to register in a PHT 060 course must attend one of these orientation sessions
- Attendance to this virtual session serves as the program orientation

- Required to receive petition clearance by the department for the semester registration

Who should attend:

- Current SBVC students - **Must have Student ID Number & SBVC Email**
- Students ready to enroll in PHT 060 course

Note: Petition clearance will only be issued after attending a session, completing the application review process, and you must have a SBVC Student ID and SBVC email.

Please register using your SBVC Student Email before attending a Zoom session using the link below:

Orientation Sessions are held weekly on Thursdays from 1:00pm-2:15pm

Click Here to Register for a Zoom Orientation Session

Questions?: Please contact the department for course availability at SBVCPharmTech@valleycollege.edu

You may be able to earn credit for Pharmacy Technology courses for skills and knowledge you gained outside of the classroom. Visit **Credit for Prior Learning** to learn more.

A Loma Linda Pharmacy Bridge Program

Start at SBVC, Finish with a Doctor of Pharmacy

SBVC's Pharmacy Technology Department and Loma Linda University's School of Pharmacy have collaborated to create a pathway for SBVC students to apply to the LLU PharmD program. After completing your certificate in Pharmacy Technology and prerequisite requirements at SBVC, you can apply to the LLU School of Pharmacy Doctorate of Pharmacy (PharmD) program.
