The Policies and Procedures Advisory Committee is an advisory committee to the Chancellor's Council. The committee is charged with updating, creating, developing, and systematically reviewing Administrative Procedures (AP) and Board Policies (BP). The workgroup will ensure a continuous evaluation of the APs and BPs, will create taskforces and invite subject matter experts, including students, when appropriate for input in the process. The committee forwards recommendations for changes to APs/BPs to the Chancellor's Council.
