Student ID#: \_\_\_\_\_

Your 2017-2018 Free Application for Federal Student Aid (FAFSA) has been selected for review of your "Unusual Enrollment History" as determined by the U.S. Department of Education. Unusual enrollment history is defined as receiving federal aid funds at multiple institutions in a four year period (2013-2014, 2014-2015, 2015-2016, and 2016-2017). Such an enrollment history requires a review to determine whether there are valid reasons for the unusual enrollment pattern. To be considered for financial aid you must complete and submit information about your enrollment for each institution attended during the 2013-14, 2014-15, 2015-16 and 2016-17 academic award years.

**\*Your eligibility for Financial Aid cannot be determined until you submit this form and all required documentation.**

### Instructions:

If you previously provided official transcripts, please indicate that you would like the Financial Aid Office to review the transcripts on file by checking this box. ☐
