We have a limited number of seats available for teachers interested in sponsoring a CyberPatriot team at your school.

What will teachers do at the AFA CyberCamp?
The AFA CyberCamp program is designed to excite students new to cybersecurity about STEM career opportunities and teach them important cyber defense skills through hands-on instruction and activities.

Through the camp, students will learn how to protect their personal devices and information from outside threats, as well as how to harden entire networks running Windows 7 and Ubuntu operating systems.

The AFA CyberCamp will culminate in an exciting final team competition that simulates real cybersecurity situations faced by industry professionals and mimics AFA’s CyberPatriot National Youth Cyber Defense Competition.

Who can Attend?
The camp is open to any Inland Empire middle or high school teacher.

When will the camp run?
The camp is from 8:00am-Noon on July 11, 12, 13, 14, & 15

Where will the camp be held?
Campers should meet in Room B100 on the San Bernardino Valley College Campus for their lab assignment.

How can teachers sign up?
e-mail: rpowell@valleycollege.edu - please understand this is a space-available offer

Is there a cost to attend?
No cost to attend.
