All students must declare an eligible academic program AND educational Goal with the college to be eligible for financial aid. For financial aid to continue the review of your file and determine your eligibility, you must select an eligible academic program and eligible educational goal and request for Admissions and Records to update your record.

An eligible academic program is defined as one or more of the following:

1. An academic program that leads to an AA/AS Degree, or
2. An academic program that leads to a Certificate upon completion, or
3. An academic program that leads to an AA/AS Degree that will transfer to a program leading to a baccalaureate degree.

Please select the applicable box below for financial aid to continue the review of your file and determine your eligibility.

<input type="checkbox"/> I have updated my academic program with Admissions and Records to an eligible academic program as defined above.	<input type="checkbox"/> I did not update my academic program with Admissions and Records. I understand by not updating my academic program to an eligible academic program I do not qualify for federal financial aid.
