HOW DO I SEE A COUNSELOR?

To speak with a counselor, we will be conducting online drop-in sessions and appointments. These sessions will take place via [Cranium Café](#), our web-based counseling platform. You must have your SBVC student ID to make an appointment and speak with a counselor.

Appointments can be made up to 1 week in advance. Drop-in counseling is available for quick questions, if you require a longer meeting time the counselor may suggest that you to make an appointment. Counselors will assist students based on their entrance time into the lobby. If the lobby is "locked," it means no more students will be allowed to enter the lobby.

All appointments will be held online through Cranium Cafe until further notice.
