

# EARLY ALERT STARFISH Faculty Open Lab

**Starfish**  
retention solutions

## Spring 2020

- Identifies at-risk students in real time, pinpoints areas of concern, and connects them with resources such as advising or tutoring.
- Starfish helps institutions individualize support for students and assess which services and interventions work best.
- Supports students while offering opportunities for Administration, Instruction and Staff to work together effectively in identifying and connecting with students.

## Ready to Join In!

Chose a training day/location below for Spring 2020:

Date	Time	Place
February 20th	10 am-12pm	LA- 208
