EARLY ALERT STARFISH Faculty Open Lab

Starfish retention solutions

Spring 2023

• Identifies at-risk students in real-time, pinpoints areas of concern, and connects them with resources such as advising or tutoring.

• Helps support students and assess which services and interventions work best.

• Supports students while offering opportunities for Administration, Instruction and Staff to work together effectively in identifying and connecting with students.

The Starfish Philosophy

1. Success is a moving target

2. Success entails academic achievement

3. Success requires engagement

4. Success must be measured

Learn More

To learn more about Starfish and how it can help you and your students contact:

Yecica Bernardo (ybernardo@valleycollege.edu) to schedule a 1-on-1 or small group session. In about 25 minutes, you will see a short demo of the tool and be able to ask personalized questions!
