The decal may be reported as LOST, STOLEN or COUNTERFEIT. It is a misdemeanor to possess lost, stolen, or counterfeit decals.

Staff Decals <http://www.valleycollege.edu/webadvisor>

Staff decals are issued to faculty and staff and must be valid for the current fall or spring semester, or summer session. Students are not eligible for staff permits.

Proper Display

The proper display of SBVC semester decals as follows:

- Decal sticker must be readable and adhered to lower left corner of the FRONT windshield on the driver side (lying on the dashboard is not properly displayed and could result in a citation).
- On a valid decal hanger suspended from the rearview mirror with the sticker easily visible and facing forward. Hangers are available at the San Bernardino Valley College Bookstore.

Decal Hangers

Decal hangers are not recommended. However, if you choose to use a decal hanger, it is your responsibility to ensure that the decal is clearly visible. You may display your decal on a valid hanger suspended from rear view mirror with sticker number facing forward.

- Use of hanger is at your own risk. You are responsible for securing your vehicle. Decals/Permits are frequently stolen when windows are left partially open.
- If you forget to hang your decal or if it falls down you may be cited.
- If your decal is turned around, flipped up, or obstructed in any way (windshield tint or shade cover, objects on mirror, etc.) you may be cited.
- If your decal is lost or stolen you should immediately report it to the Parking Office. It is full price for a replacement sticker

Daily Permits

Beginning in January 2012 Daily permits are \$2.00 and may be purchased at the permit dispenser in Lot 1, 5, 7 & 9. Place permit with date side up on the top of your dashboard, just in front of your steering wheel. Daily permits are valid in any student lot. They are not valid in staff parking. **NOTE:** If you are a student with a Board of Governors (BOG) waiver, a fall/spring semester parking decal is only \$20—a better value for students after only 10 trips to park on campus in a single semester; after 15 trips for those that would pay \$30.

Visitor Parking

Visitor parking is limited to 1 hour in the designated spaces in Lot 3 & 4. If the visit will be longer than 1 hour, visitors must purchase a day permit and move the vehicle to a student lot. Do not move your vehicle from one space to another.

Motorcycle Parking

Motorcycle parking does not require a motorcycle decal/permit and parking is limited to designated motorcycle spaces on College Drive and in lot 11. Motorcycle parking in regular parking will be subject to citation.
