Michelle Crocfer A		Guests: Susan Bangasser
Rick Hrdlicka A		Haragewen Kinde

DISCUSSION and Action

Minutes April 16, 2008	The minutes were approved with one correction; the Accuplacer taskforce should include the department heads from English, Math and Reading, not Student Services.
------------------------	---

Measure M - Deb	Deb reviewed the Current and Proposed Projects Priority List which will be funded by the remaining Measure P and new Measure M funds, when available. As a result of poor architecture planning, the Cafeteria is without A/C. Deb indicated that installing air conditioning in the Cafeteria, adding ADA updates to buildings and remodeling the Business Building are on the top of the Proposed Project Priority List. Additionally, Deb is reviewing the conditions of the
-----------------	---

Basic skills - John	John reported that Statewide, we are entering into Phase III of the Basic Skills plan, which focuses on integrating the findings of Student Equity Plans, Student Learning Outcomes, and Campus Wide Action Plans, strengthening the links between student support services and instruction, forming connections between basic skills and CTE programs, expanding access to information – both effective practices and data, and expanding bridges between high school and college and non-credit and credit programs.
