Dan Angelo	Odette Salvaggio
Damon Bell A	Troy Sheffield
Marco Cota	James Smith
Michelle Crocfer	Stephen Villasenor
Rick Hrdlicka	Kay Weiss A
	Rebecca Warren-Marlatt

**DISCUSSION**

Revised Logo Presentation – Craig Petinak	<p>Craig summarized the events leading to the revision of the SBVC logo. He reviewed the outcome of the Branding Workshop held late last year and emphasized the need for uniformity in all publications/material with the SBVC logo. The committee reviewed 9 versions of the logo and after a process of elimination voted to select the logo that inserts San Bernardino above valley college. Additionally, the committee voted to use proper punctuation in the logo. Craig is currently working on a graphic standards manual which should be completed in the near future.</p>
-------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Student Response Systems – Rick Hrdlicka	<p>Rick reviewed the process the Technology Committee used to select a Student Response System. Two demo systems have been disbursed and have been in use for 2 weeks. The committee voted to accept the recommendation of the Technology Committee and adopt the E Learning Systems for the classroom clickers.</p>
------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Accuplacer – Dirkson Lee, Gil Maez, (Matriculation Committee) Marco Cota	<p>The Matriculation Committee invited representatives from Accuplacer, an assessment tool company, to come to campus and give a presentation and answer questions on their product. After reviewing the pros and cons of the product it was the desire of the faculty to remain with the current tools used for assessment at this time. However; questions are being raised concerning Accuplacer’s capabilities, such as, placement of students, the low percentage of questions pertaining to math, and the ability to identify where students are actually taking the test. President Daniels asked Dirkson Lee and Gil Maez to return to next month’s meeting to continue the discussion on Accuplacer.</p>
--------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Shared Governance Assessment – Javier Alcarez	<p>Tabled until next month.</p>
-----------------------------------------------	---------------------------------

<p>Valley Bound Conference – Paul Rubalcaba</p>	<p>Valley Bound Commitment/Project is a project being offered by the SBVC Foundation to give the opportunity to graduating seniors from selected pilot feeder high schools who have exhausted all other options to finance their first year of college. Contact the Foundation Office for more details and flyers. The Foundation Office is also sponsoring a fundraiser on May 3, 2008, the “Together” concert. The concert will be held in the Greek Theater and will feature several artists including: Brenton Wood, Tierra and Al Wilson. Contact the Foundation office for ticket information.</p>
<p>Year End Report – Troy Sheffield</p>	<p>The 2006-07 Year End Report was disbursed.</p>
<p>Tree Removal – Mike Perez</p>	<p>Mike informed the Committee that a thorough tree inventory had been conducted by a certified arborist and several trees are scheduled to be removed beginning March 1.</p>
